

EDUCATION

| | | | |
|-----------------------------------|----------|------------------------------|-------------|
| Sri Eshwar College of Engineering | B.E(CSE) | CGPA 7.7 (upto 2nd Semester) | 2022 - 2026 |
| Sakthi Matric Hr Sec School | HSC | 84.2% | 2020 - 2022 |
| RR Cambridge Matric Hr Sec School | SSLC | 98.5% | 2019 - 2020 |

INTERNSHIPS

MERN STACK - THISUX 2024

I gained hands-on experience with a diverse set of technologies. I focused on hono.js and cloudflare for backend, as well as website deployment in cloud fare. I gained experience in React and Astro for user friendly websites. Overall this experience provided me with a understanding of modern web development tools and frameworks.

FULL STACK - BHARAT INTERN 2023

A full-stack intern is a dynamic role that involves gaining hands-on experience in both front-end and back-end development. They work on various aspects of web development, from designing user interfaces to implementing server-side logic.

PROJECTS

JOB PORTAL WEB APPLICATION 2024

Developed a mobile application for connecting jobseekers and employers . Employers effortlessly post vacancies, visible to eager jobseekers in real-time or through intuitive keyword searches. Our sleek design harmonizes with the powerful ensuring a smooth user experience while maintaining code integrity and scalability

Tech stack : Mongo DB,React,Express JS,Node JS.

MUSIC MANAGEMENT SYSTEM 2023

It operates as a Java-based console application, facilitating secure banking transactions. Users access the system through encrypted authentication, ensuring data integrity. They can then perform various actions such as checking balances, transferring funds, making deposits or withdrawals, all while maintaining a detailed transaction history for their accounts.

Tech stack : Java, SQL, JDBC Connection, Object Oriented Programming

CERTIFICATIONS

| | | |
|---|---------------|------|
| Programming in Java(OOPS) | Scaler Topics | 2024 |
| SQL Certification | Hackerrank | 2024 |
| Introduction of react js | Scaler Topics | 2024 |
| Mastering Data Structure and Algorithms Using C and C++ | Udemy | 2023 |
| Introduction of Frontend Development | Simplilearn | 2023 |
| Foundation of Cyber Security | Tech Mahindra | 2023 |

PROGRAMMING ACHIEVEMENTS

Leetcode : Rating – 1459 | Rank-1,403,890| Problem Solved – 120+

Codechef : Rating - 842 | 1 Star Code | Rank-13876 | Problem Solved - 50+

Hackerrank : Hackos - 2950 | 4 Star-Java 3 Star-python 2 Star-C

My team secure 3rd prize in project expo at kalam tech function
